Resolutions at Sweco AB's Annual General Meeting and resolution on repurchase and transfer of treasury shares

The Annual General Meeting in Sweco AB on April 23, 2020 passed resolutions on the following:

Board of Directors and dividend

The annual general meeting resolved, as proposed by the nomination committee, that the Board of Directors shall be comprised of seven Directors elected by the general meeting and that no Deputy Directors shall be appointed. The Annual General Meeting re-elected Åsa Bergman, Gunnel Duveblad, Elaine Grunewald, Alf Göransson, Johan Hjertonsson, Johan Nordström and Christine Wolff. Johan Nordström was re-elected as the Chairman of the Board of Directors.

It was decided to appoint one registered audit firm as auditor and to re-appoint the current auditors, PriceWaterhouseCoopers AB with Michael Bengtsson as chief auditor, up until the conclusion of the Annual General Meeting 2021.

The Annual General Meeting resolved on fees to the Board of Directors, the Audit Committee, the Remuneration Committee and the auditors in accordance with the proposal of the Nomination Committee. The Annual General Meeting further resolved on guidelines for salary and other remuneration to senior executives in accordance with the proposal of the Board of Directors.

The Annual General Meeting resolved, in accordance with the proposal of the Board of Directors, that the shareholders shall receive a dividend of SEK 3.10 per share. The record date is April 27, 2020, and payment is expected to be made on April 30, 2020.

The Annual General Meeting adopted the presented income statements and balance sheets and granted the members of the Board of Directors and the Managing Director discharge from liability for the financial year 2019.

The Share Bonus Scheme 2020

The Annual General Meeting resolved, as proposed by the Board of Directors, to implement the Share Bonus Scheme 2020. The share bonus scheme covers employees in Sweden on the principally same conditions that applied under 2015 - 2019 Share Bonus Scheme and means that shares are allotted instead of cash bonus. The resolution comprised resolutions on the implementation of the Share Bonus Scheme 2020 as such, as well as several resolutions as a direct result thereof.

The scheme includes up to 1,100,000 Class B shares in Sweco (of which not more than 825,000 shares for delivery to the participants and not more than 275,000 shares to cover social security contribution costs). The general meeting further resolved to authorise the Board of Directors to transfer up to 825,000 Class B treasury shares to employees within the scope of the 2020 Share Bonus Scheme and to sell up to 275,000 Class B shares to secure payment of social security contributions. Sales of Class B shares may be made over Nasdaq Stockholm at a price within the relevant at the time registered price, by which is meant the span between the highest registered

purchase price and the lowest registered sales price. Sales of shares may also be made outside Nasdaq Stockholm to a bank or other financial institution, in deviation from the existing shareholders' pre-emption rights. Such sale may be made at a price corresponding to the registered price range at the stock exchange, with such deviation on market terms that the Board of Directors finds reasonable.

The number of shares to which the employee is entitled, corresponds to the earned bonus for the financial year 2020 divided by a base share price, corresponding to the average purchase price weighted by volume for the Class B share during the period March 16 – March 27, 2020, less the amount corresponding to the dividend per share resolved by the Annual General Meeting for the financial year 2019. The base share price shall be re-calculated in generally accepted manners if events have transpired that affect the share price, such as splits, bonus issues, cancellation and similar during the term of the scheme. The bonus per employee is based on the operational results per employee of the included business units. The maximum bonus per employee is three monthly salaries. Allocation to the employees – which in principle presupposes that the employment has not expired or been terminated – of shares will be made without consideration during the first six months of 2021.

The Share Savings Scheme 2020

Further, the Annual General Meeting resolved, as proposed by the Board of Directors, to implement the Share Savings Scheme 2020, comprising up to 104,000 Class B shares in Sweco (whereof up to 82,500 shares for allocation to the participants and up to 21,500 shares to cover costs related to social security contributions), on the following main conditions.

Up to 100 senior executives and other key personnel will be offered to participate in the Share Savings Scheme 2020. The Share Savings Scheme 2020 principally corresponds to the share savings scheme decided by the Annual General Meeting of 2019. Participation in the Share Savings Scheme 2020 requires the participants to acquire Class B shares in Sweco ("Savings Shares") with their own funds at market rates through Nasdaq Stockholm up to an amount corresponding to 5 to 10 percent of each participant's fixed annual salary for 2020. If a participant retains ownership of the Savings Shares until the fourth business day after the day of the publication of the year-end report for the financial year 2023 (the "Retention Period"), the participant remains employed on the same, equivalent or higher position in the Sweco group during the whole Retention Period and if the absolute total shareholder return for the Class B share in Sweco is positive during the Retention Period, then each Savings Share entitles the participant to without consideration receive one Class B share in Sweco ("Matching Share"). Provided that certain performance criteria regarding the total shareholder return of the Sweco share set by the Board of Directors are met – the participant is also entitled to receive an additional one to four Class B shares in Sweco ("Performance Shares").

To enable the implementation of the Share Savings Scheme 2020, the Annual General Meeting resolved to approve the transfer, without consideration, of up to 82,500 Class B shares to the participants of the Share Savings Scheme 2020 in the period during which they are entitled to receive Matching and Performance Shares.

Transfers may, in deviation from the shareholders' pre-emptive rights, be carried out outside a regulated market in conjunction with company or business acquisitions. The compensation for transferred shares shall closely correspond to the market value of the Sweco Series B share at the time of the resolution on the transfer, and shall be paid in cash, in kind or by set-off of claims against Sweco.
