## PRESS RELEASE

---

11 January 2017

### **Dariusz Rezai new President of Sweco Denmark**

#### **Dariusz Rezai has been appointed new President of Sweco Denmark, succeeding John Chubb.**

- With Dariusz Rezai, Sweco Denmark gets a leader with long experience and extensive knowledge of the Danish market. He has a strong track record when it comes to achieving results and developing organizations. I would also like to thank John Chubb for his accomplishments in improving the Danish business and thus laying the foundation for continued success, says Tomas Carlsson, president and CEO of Sweco.

Dariusz Rezai starts in his role as President of Sweco Denmark by 1 April 2017 at the latest. He is currently President of Mobile Communication at Eltel. Dariusz Rezai has long experience of the Danish market, especially in the services and construction sector, where he has held senior positions at NCC, Accenture and Deloitte. He is a strong leader with a focus on developing both customers and employees.

- I look forward to continue developing Sweco to become Denmark's most respected knowledge company in engineering, environmental technology and architecture. With our local presence, strong customer relationships and the recognised expertise of 14,500 engineers and architects in Europe, Sweco is uniquely positioned to plan and design the Danish cities and communities of future, says Dariusz Rezai, newly appointed President of Sweco Denmark.

Dariusz Rezai will be a member of Sweco's Executive Team.

John Chubb continues as President of Sweco Denmark until March 31, when he will leave Sweco.
