PRESS RELEASE

3 December 2015

Final results of Sweco's rights issue

The final results of Sweco's rights issue show that 1,165,545 A-shares and 12,044,308 B-shares, representing approximately 99.4 percent of the offered shares, were subscribed for with subscription rights. The remaining 5,475 A-shares and 79,617 B-shares that were not subscribed for with subscription rights have been allocated to persons who have applied for subscription of shares not subscribed for with subscription rights according to the principles described in the prospectus. Allotment of shares not subscribed for with subscription rights has only been made to those who have subscribed for shares with subsidiary preferential right. Through the rights issue, Sweco will receive proceeds amounting to approximately SEK 1,077 million before issue costs.¹

Notification regarding allocation of shares that have been subscribed for without subscription rights has been distributed to those who have been allocated shares for payment on 4 December 2015. Only those who are allotted shares have been notified.

As a result of the rights issue, Sweco's share capital increases by SEK 13,294,945, from SEK 107,799,885 to SEK 121,094,830. The number of A-shares in Sweco will increase by 1,171,020 to 10,539,184 A-shares and the number of B-shares will increase by 12,123,925 to 109,655,646 B-shares. The total number of shares in Sweco will thus amount to 121,094,830, whereof 10,539,184 A-shares, 109,655,646 B-shares and 900,000 C-shares.

The new shares subscribed for with subscription rights have been registered at the Swedish Companies Registration Office on 2 December 2015. The final day for trading in paid subscribed shares (BTAs) is expected to be on 7 December 2015. The new shares are expected to start trading on Nasdaq Stockholm on 11 December 2015.

Shares subscribed for without subscription rights are expected to be registered at the Swedish Companies Registration Office on or around 9 December 2015 and to start trading on Nasdaq Stockholm on 22 December 2015.

ABN AMRO Bank N.V. and Nordea Bank AB (publ) are financial advisors and Cederquist is legal advisor to Sweco in the Rights Issue.

¹ From the proceeds of the rights issue of approximately SEK 1,077 million, an estimated deduction is made for rights issue expenses (issue costs). These costs are estimated to approximately SEK 20 million. Net of issuance costs Sweco is estimated to raise approximately SEK 1,057 million. The issue proceeds of approximately SEK 1,077 million is based on the total number of Sweco A shares and Sweco B shares excluding Sweco's own holding of 540,320 Sweco B shares.
